**Saturday - November 4** *Full Beaver Moon*

**Sunday - December 3** *Full Cold Moon*

### Notes:

1. *The following reflect the dates for 2017's full moon appearances and are the dates for anticipated meet-ups for paddlers wishing to enjoy an 'illuminating' experience on the waters of Matagorda County and neighboring counties.*
2. *Scheduled, no-sponsor outings will be posted on the Internet by Bonnie Benson, FOTP group list manager. This will detail the time place and recommended things to bring.*
3. *Since, I (W. R. Younger) cannot accurately predict my availability to structure any of these nighttime free-will float trips so far in advance...it is hoped YOU, or some other avid paddler would stand in for me, if asked to do so.*
4. *If, for any reason, you do not receive an invitation to participate in any of these monthly nocturnal meet-ups please feel free to contact me (WRY) at 979-240-4872 or [w-younger@att.net](mailto:w-younger@att.net). Plus, feel free to invite others!*
